Place, Date

.....
Signature of representative(s) | Company stamp

¹ Please note that all balancing group contracts of the applicant can be viewed in the Customer Portal by the authorized entity even if not all balancing group contracts were chosen. However, this does not apply for the VTP-Portal, if the authorized entity was empowered to submit VTP nominations.

² This applies in particular to the data entry required for the national supply coordinator (sec. 1a para. 6 GasSV) and to the submission of offers for the implementation of market-based solidarity measures (sec. 1a para. 5 GasSV).

³ In general the activation of the authorized company in our systems is made one working day before the date indicated above. This ensure that the tasks assigned can be performed process-compliant.
