Press Release

NetConnect Germany launches tendering for market-making services at the NCG VTP

Ratingen (Germany), 13 May 2020. NetConnect Germany GmbH & Co. KG (NCG) is opening a tender process for market-making services to be provided at its virtual trading point (VTP) for the period 1 July 2020, 6 am until 1 January 2021, 6 am, with market participants being asked to submit their bids between 18 May 2020, 12:00 hours and 29 May 2020, 12:00 hours.

For the calendar year 2019 as well as for the first half of the calendar year 2020 NCG already contracted market-making services. The aim is to further improve liquidity in the futures and forwards markets at the NCG VTP.

The contractual agreement as well as further information regarding the tender process are available on the NCG website.

NetConnect Germany handles the operational management of the market area cooperation between bayernets GmbH, Fluxys TENP GmbH, Thyssengas GmbH, Open Grid Europe GmbH, GRTgaz Deutschland GmbH and terranets bw GmbH. Its gas market area, which stretches from the North Sea coast down to the Alps, is the largest German market area, with around two thirds of all end-user gas volumes in Germany being transported via the NCG market area.
