

Term Sheet Gas Sale in Storage Facility of Rehden

To be sent to LNGBeschaffung@tradinghub.eu latest 17 January 2024 11 a.m. CET

We are willing to purchase gas quantities from Trading Hub Europe GmbH (THE) in store in the storage facilities of Rehden for the 1 April 2024 06:00 a.m. CET based on the Standard Agreement provided by THE on 20 December 2023:

Name of company (buyer)		
Volume of natural gas in MWh		
THE shall be allowed to sell also just a part of that volume	Yes	No
Price for the gas in EUR/MWh		

This offer is binding until 17 January 2024 11:30 a.m. CET.

The buyer is obliged to fulfil all legal requirements with regard to the storage (e.g. § 35b EnWG).

This is a binding offer from the buyer within the scope of above-mentioned binding period. THE is not obliged to accept the offer. If the contract is accepted, THE will immediately inform the buyer and incorporate the contractual parameters of the term sheet into the agreement mentioned above in the version dated 20 December 2023.
