Launch of the Trading Hub Europe website

Berlin/Ratingen, 1 June 2021 • 1 June 2021 saw the launch of the new website of market area manager Trading Hub Europe GmbH (THE), which is available at www.tradinghub.eu.

As part of the market area managers' implementation project, a lot of effort went into creating the new website. The aim here was to combine the best of both worlds. "We are delighted to have developed a user-friendly, modern and innovative website that focuses on the needs of the customer," says Dr Sebastian Kemper, member of THE's Board of Management.

Until the launch of the nationwide market area on 1 October 2021, the statutory and regulatory disclosure obligations will continue to be honoured on the existing websites www.gaspool.de and www.net-connect-germany.com. Once the new market area starts trading, all publications will be released on the new THE website.
