

Trading Hub Europe GmbH (THE) invites tenders for the long-term control energy requirements for the cross-quality market area Trading Hub Europe for the product "Flexibility Services" (FLEX).

The service periods October 2022, November 2022, December 2022, January 2023, February 2023 and March 2023 will be tendered separately for the product FLEX.

Features of the tender:

Product	FLEX					
Gas quality	L-cal					
Direction	Parking and Lending					
Control energy zone	GUD-L, GTG-L und NWG					
Product variant	Firm Flexibility Services					
Contract Period	Okt 2022	Nov 2022	Dez 2022	Jan 2023	Feb 2023	Mrz 2023
Requirement [MWh/h]	2,000	2,000	3,000	3,700	3,700	3,700

We ask to consider that the maximum working gas volume usable by THE for both directions (parking and/or lending) in each case results from multiplying the firmed offered service by the factor 36 (1.5 days). In addition, THE reserves the right to make a bid award for partial services as well.

For the above mentioned tender we expect your offers in the period from **21 June 2022, 12:00 to 05 July 2022, 12:00**.

Please use our [Balancing Services Portal](#) (BSP) to submit your bids.

THE will accept the bids by **July 12, 2022, 12:00 a.m.** by concluding an individual contract for the respective bidding period.

Companies that have not yet registered as providers may apply to do so until the end of the bidding period.

The terms and conditions of the tender ("Contractual terms & conditions for balancing gas providers") as well as all other documents required for participation in the tender can be found in the download area in the section "[Downloadcenter THE](#)".
