

Trading Hub Europe GmbH (THE) invites tenders for the long-term control energy requirements for the market area Trading Hub Europe for the product "Flexibility Services" (FLEX).

The service periods April 2023, May 2023, June 2023, July 2023, August 2023 and September 2023 will be tendered separately for the product FLEX.

Features of the tender:

Product	FLEX					
Gas quality	L-cal					
Direction	Parking and Lending					
Control energy zone	LGN, LGU und LNA					
Product variant	Firm Flexibility Services					
Contract Period	Apr 2023	May 2023	Jun 2023	Jul 2023	Aug 2023	Sep 2023
Requirement [MWh/h]	1,500	1,000	1,000	1,000	1,000	1,500

We ask to consider that the maximum working gas volume usable by THE for both directions (parking and/or lending) in each case results from multiplying the firmed offered service by the factor 36 (1.5 days). In addition, THE reserves the right to make a bid award for partial services as well.

For the above mentioned tender we expect your offers in the period from **14 February 2023, 12:00 to 28 February 2023, 12:00**.

Please use our [Balancing Services Portal](#) (BSP) to submit your bids.

THE will accept the bids by **March 7, 2023, 12:00 a.m.** by concluding an individual contract for the respective bidding period.

Companies that have not yet registered as providers may apply to do so until the end of the bidding period.

The terms and conditions of the tender ("Contractual terms & conditions for balancing gas providers") as well as all other documents required for participation in the tender can be found in the download area in the section "[Downloadcenter THE](#)".
