

Trading Hub Europe GmbH (THE) invites tenders for the long-term control energy requirements for the market area Trading Hub Europe for the product "Flexibility Servicaes" (FLEX).

The service periods April 2023, May 2023, June 2023, July 2023, August 2023 and September 2023 will be tendered separately for the product FLEX.

Features of the tender:

| Product | FLEX | | | | | |
|---------------------|---------------------------|-------------|-------------|-------------|-------------|-------------|
| Gas quality | L-cal | | | | | |
| Direction | Parking and Lending | | | | | |
| Control energy zone | LGN, LGU und LNA | | | | | |
| Product variant | Firm Flexibility Services | | | | | |
| Contract Period | Apr 2023 | May 2023 | Jun 2023 | Jul 2023 | Aug 2023 | Sep 2023 |
| Requirement [MWh/h] | 1,500 | 1,000 | 1,000 | 1,000 | 1,000 | 1,500 |

We ask to consider that the maximum working gas volume usable by THE for both directions (parking and/or lending) in each case results from multiplying the firmed offered service by the factor 36 (1.5 days). In addition, THE reserves the right to make a bid award for partial services as well.

For the above mentioned tender we expect your offers in the period from 14 February 2023, 12:00 to 28 February 2022, 12:00.

Please use our <u>Balancing Services Portal</u> (BSP) to submit your bids.

THE will accept the bids by March 7, 2023, 12:00 a.m. by concluding an individual contract for the respective bidding period.

Companies that have not yet registered as providers may apply to do so until the end of the bidding period.

The terms and conditions of the tender ("Contractual terms & conditions for balancing gas providers") as well as all other documents required for participation in the tender can be found in the download area in the section "Downloadcenter THE".
