

Tenders for FLEX product

Trading Hub Europe invites tenders for the long-term control energy product Flexibility Services

Trading Hub Europe GmbH (THE) invites tenders for the long-term control energy requirements for the market area Trading Hub Europe for the product "Flexibility Services" (FLEX).

The service periods October 2023, November 2023, December 2023, January 2024, February 2024 and March 2024 will be tendered separately for the product FLEX.

Features of the tender:

Product	FLEX					
Gas quality	L-cal					
Direction	Parking and Lending					
Control energy zone	GUD-L, GTG-L und NWG					
Product variant	Firm Flexibility Services					
Contract Period	Oct 2023	Nov 2023	Dec 2023	Jan 2024	Feb 2024	Mar 2024
Requirement [MWh/h]	1,300	1,300	1,900	2,300	2,300	2,300

We ask to consider that the maximum working gas volume usable by THE for both directions (parking and/or lending) in each case results from multiplying the firmed offered service by the factor 36 (1.5 days). In addition, THE reserves the right to make a bid award for partial services as well.

For the above mentioned tender we expect your offers in the period from **27 June 2023, 12:00 to 11 July 2023, 12:00**.

Please use our [Balancing Services Portal](#) (BSP) to submit your bids.

THE will accept the bids by **July 18, 2023, 12:00 a.m.** by concluding an individual contract for the respective bidding period.

Companies that have not yet registered as providers may apply to do so until the end of the bidding period.

The terms and conditions of the tender ("Contractual terms & conditions for balancing gas providers") as well as all other documents required for participation in the tender can be found in the download area in the section "[Downloadcenter THE](#)".
